"HONORARIES"**PI MU EPSILON (Honorary Mathematical)**

The Beta Chapter of Pi Mu Epsilon, honorary mathematics fraternity, is one of the numerous honorary organizations on Ohio State campus. There is an active membership of about seventy-five, the majority of whom are engineers. The majority of our meetings this year has been social in character, giving the members an opportunity to become better acquainted.

Membership is based on scholarship in mathematics, mechanics and physics. Students in all colleges are eligible at the end of the junior year or in the senior year if their work is of high character.

In the autumn quarter thirty-one members were elected. The following were the senior engineers elected: Allan Smith, William Kellogg, Ivan Eppley, Carlos Bentzau, Niilo Tuura, Howard L. Moon, Homer Foust, Paul May, John Sharp, John Nodes, Ruth Strittmatter, Crawford Massey, Ralph Donham, Lucian Smith, John Buch, Elmer Wise, Edward Kaplow and Paul Wood.

Another election was held April 24, when eighteen members were chosen, of whom twelve were junior engineers. Charles Harman and Albert Routa stood highest of the group in scholastic work. Both have had perfect records in their mathematical work. The engineers elected were: Charles Harman, Albert Routa, Melville Wolfram, William Cook, John Durstine, William Lincoln, Otto Keep, John Bosch, James M. Comly, Russell Flora, Herman Hartzell and Robert Loomis.

Initiation on May 11 was followed by a lecture on "Some Rambles in Time and Space," by Prof. F. R. Moulton of the University of Chicago.

The fraternity was organized at Syracuse University and has six chapters. It is hoped that it will be possible to have an active chapter during the summer quarter also.

The officers who have served this year are:

Director—Prof. C. L. Arnold.

Vice Director—Horace Wetzell, Eng. 4.

Secretary—Wilma J. Thompson, A-Ed. 4.

Treasurer—J. M. Weed, Grad.

Executive Committee—Prof. P. W. Ott; W. V. Houston, Grad.; Sheldon Hayward, Eng. 4; Evelyn A. Winters, Ed. 4.

TAU BETA PI (Honorary Engineering)

It was Tau Beta Pi, who, in co-operation with the Engineers' Council and the professional engineering fraternities, were responsible for starting the "honesty-in-examinations" slogan among engineers. That little thought has helped a great deal and has eliminated a lot of the repugnant occurrences which sometimes happen at examination time.

In order to overcome the handicap of a huge engineering college, where one has little opportunity of knowing even his brothers in Tau Beta Pi from other departments, and to bring the boys in closer contact with each other, every other meeting is preceded by an informal dinner at the Union.

The meetings are intended to foster a spirit

of fellowship that is difficult to get in a large university.

These men have been elected during the past school year:

George E. Bland, '23, Ch. E., Marion, O.; Lewis J. Cissna, E. E., Montgomery County, O.; Herman F. Cotner, C. E., Elida, O.; Donald J. Hatfield, C. E., Lebanon, O.; Donald E. McGuire, Windham, O.; Samuel P. Moyer, Youngstown, O.; Alvin H. Peters, Ch. E., Groveport, O.; Elmer C. Wise, E. E., Bellaire, O.; Charles T. Harman, '24, Ch. E., Columbia, O.; Clarence D. Badgely, Arch. E., Springfield, O.; Mark S. Bailey, '24, Leesburg, O.; John P. Bosch, '24, Indianapolis, Ind.; Harold R. Carle, '24, Bellaire, O.; Charles C. Clark, '24, Columbus; William P. Cook, '24, Lakewood, O.; John E. Durstine, '24, Cleveland; Paul G. Edwards, '23, Hillsboro, O.; Louis D. Forward, '23, Urbana, O.; Charles C. Hanes, '24, Lima, O.; Carl H. Heldenbrand, '24, North Canton, O.; Otto A. Keep, '24, Dorset, O.; Joseph Koffolt, '24, Cleveland; William C. Lincoln, '24, Woodstock, O.; John P. Rannells, '23, Springfield, O.; Albert Routa, '24, Cleveland; Philip E. Rush, '23, Columbus; Weston A. Brown, '23, Maumee, O.; Paul F. Fitzer, '23, Galena, O.; Ralph W. Kurtz, '23, Sycamore, O.
